

PATENT

REMARKS

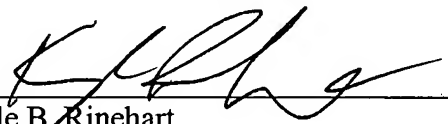

By this amendment the specification has been changed to add information about the priority applications. In addition, the specification has been amended in two places to correct errors of minor, typographical nature (as such errors were corrected in the parent applications). Finally, Figures 3 and 7 have been submitted in their corrected form (as corrected in the parent applications).

No new matter has been added by this amendment.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
